Annual Student Immunization Requirements

**Health Screening Requirements: Immunization/Infectious Disease Status:**
*NOTE: Required of ALL incoming and continuing students on an annual basis.*

Name: ______________________________________  Student ID#: _______________________________

Birth date: _________________________________  E-Mail: ______________________________________

**Tuberculosis Screening** – IGRA (Interferon gamma releasing assay) blood test is required.
*NOTE: PPD skin test is not accepted as proof of absence of tuberculosis.*

**IGRA Blood Test:** Specify the date and result of serologic blood test for Tuberculosis. *If the result is positive, a chest x-ray is required.*

Test Date: _______________  Result: ______positive _____negative _____indeterminate

**ONLY REQUIRED IF IGRA RESULT IS POSITIVE:**

1. Have you had MMR or Varicella vaccine within the last 60 days? (If yes, date __/__/______)
   □ No  □ Yes

2. Do you have a persistent cough (lasting 3 weeks or more)?
   □ No  □ Yes

3. Do you cough up blood?
   □ No  □ Yes

4. Do you have persistent, unexplained fevers or night sweats?
   □ No  □ Yes

5. Do you have a rash? If “Yes”, for how long? __________
   □ No  □ Yes

6. Do you have unintentional weight loss, fatigue, or loss of appetite?
   □ No  □ Yes

7. Do you have any reason to believe that your immune system may have been altered or damaged due to any of the following conditions or medications, which could increase you risk for tuberculosis (i.e. cancer; sarcoidosis; HIV/AIDS; chemotherapy; chronic steroid therapy or medications to prevent transplant rejection)? *Note: HIV infection and other medical conditions may cause a TB (PPD) skin test to be negative even when TB infection is present.*
   □ No  □ Yes

If a chest x-ray was performed as a follow-up to a positive IGRA result, record the result here:

Date of Administration: _______________  Result: ______positive _____negative

**Infectious disease status reviewed and updated (by signing below, clinician care clinician certifies this to be true).**

Signature of Clinician: ______________________________________  Date: ______________________

Name and Title: ______________________________________  Phone: ____________________________

Address: ____________________________________________________________________________
The following documents are acceptable and must contain the individual’s name, the location of the vaccination provider, the name of the vaccine and the date administered.

1. A letterhead note or script with your doctor’s signature
2. An updated yellow vaccination card or vaccination record from your doctor’s office
3. A receipt or signed document as proof of flu vaccine administration from a pharmacist or outside vendor
